The Cause

SBCS' innovative and one of a kind programs respond to the needs of our most vulnerable neighbors. We ensure that the youngest victims of violence and abuse have the support they need to heal and have a solid foundation for a better tomorrow. Each year, hundreds of families seek our help or need shelter. Domestic violence impacts children's development, education, and the overall health of our community. With support from partnerships through Change Their Lives, SBCS provides emergency and transitional shelters, counseling, job readiness, and a therapeutic preschool that has been proven to change the academic and life trajectory of our little ones.
